OBJECTIVE

Break into the Games Industry, my target role is UX/UI Designer. However, my knowledge covers many other roles such as Production, Design, QA, and Analytical & Data Driven Design.

EDUCATION

BA (Hons) Game Design & Production | Abertay University

2019 – 2023

I am currently undertaking my Honours Degree at Abertay University.

- Production & Leadership: B+ / 3.50
- Game Mechanics & System Design: B / 3.00
- Analytics and Data-Driven Game Design: B / 3.00
- Game Design Practice: B+ / 3.50
- Professional Project: A / 4.00

Level 3 Games, Animation & VFX Skills | Southern Regional College

2017 – 2019

This course covered 3 different industries, all with close ties to each other, throughout the 2 years I learnt about each of the industries and in the final year we got to pick 1 industry to focus on, I went with the “Games Industry”, this involved developing a project over the course of the year for our final submission.

- AIM Awards Level 3 Extended Diploma: Distinction
